Statement of Claim - I got stuck
 State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

backward

First - I reported to mental health in the kitchen stating that I suffer from night terrors. This place definitely triggers all pressure points of my PTSD. I begged for help. A month later I got to see Mr. Stockfish. He prescribes me high blood pressure meds which do nothing. I continue to scare my roommates and if they attempt to wake me I can't discern between dream and reality. I've put my hands on two of my roommates. I need those pills for my heart. Luckily they were kind and understanding.

He said that he would see me in 2 weeks there after and to stop the medicine if I experienced any "wired" side effects.

So as of today it's been 48 days since that meeting and I can't reach anyone in the mental health dept.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 21st day of March, 2022

The kiosk tells me "I've reached the maximum number of entries." Which is three by the way. Still have not been read.

I put emergency in the regular medical and LDC came to see me and told me 2 weeks ago I was scheduled and again today again I was scheduled (March 21st 2022).

All the While, ago I spent 2 days in the emergency room because my shoulder is broke in several places. I have 50% mobility for what they say is the rest of my life. I'm in pain Day and night and funny it happened due to me tossing and turning off the top bunk. (When I have an ignored bottom bunk profile) Due to my night terrors. My bunkmate Mathew Olajos can attest to this.

My shoulder landed on bottom bunk and my head simultaneously smacked the concrete. it caused severe nerve pain half way down my back and obviously the broken shoulder.

I am still not seeing stockfish yet but this is primarily due to the

bodily injury affecting the rest
of my life, The other malpractice
of Dr. Stockfish. The mistreatment
and conditions I was forced to sleep
on during healing. It is messed up
and people can't even look at it when
out winning. And life long disability
even after incarceration,

Mental Health request started 2/12/22
Injury happened 2/28/22
finally seen by medical 3/3/22
Sent to ER on 3/3/22.
Still not seen mental health 3/23/22
